

A NEW FAMILY OF LUBRICANTS SPECIFICALLY FORMULATED FOR YOUR BOAT

Forespar is proud to introduce **MareLube**, a new family of marine specific lubricants that are effective while being sensitive to the fragile marine environment.

Three Unique Formulas

MareLube Valve and equipment lube.

MareLube Extra General equipment lube. A great general purpose marine lube.

MareLube TEF 45 High load water proof lube with max 45% PTFE protection. Great for turnbuckles, I.O. Units and other wet, high-load uses around your boat.

General Equipment

High Load - Max PTFE
