ADVANCED BOAT CARE PRODUCTS

Tea Tree Power Marine Grade Mold & Mildew Eliminator

Tea Tree Power™ mold, mildew and odor eliminator is a non-toxic and bio-degradable air cleaner formulated especially for marine use. Blended using 100% Australian Tea Tree Oil, it maintains healthy air quality and leaves a subtle, naturally clean scent throughout the boat. Not just a cover-up fragrance, Tea Tree Power™ uses Australian Tea Tree oil to attack and degrade airborne spores while penetrating porous boat surfaces to eliminate the odor source.

Available in either Gel or Spray form, the long-lasting Gel provides continuous odor control, plus mold & mildew removal for up to 3-months by simply opening and placing where needed. Tea Tree Power™ Spray is an aerosol free 8oz pump bottle ideal for immediate odor control and mold & mildew cleanup.

Gel Jar 2 oz	#770201	Spray 8 oz	#770207
Gel Jar 4 oz	#770202	Refill Pouch 22 oz	#770205
Gel Jar 8 oz	#770203	Refill Pouch 44 oz	#770206
Gel Jar 16 oz	#770204		

MareLube Marine Grade Lubrication

Forespar's new family of three specifically formulated synthetic lubricants designed for various uses around your boat. Each contains PTFE for it's anti adhesion properties and they work equally well in fresh or salt water. The family includes MareLube™ TEF 45™ for wet high-load locations, MareLube™ EXTRA for general purpose lubrication needs, and MareLube™ Valve for marine valves and plumbing systems.

Valve & General Purpose Lubricants

Valve Lubricant Liquid - 16oz	#770055
Valve Lubricant - 4oz	#770050
Extra - 4oz	#770056

Max PTFE TEF45 Lubricants

TEF45 4 oz	#770067	TEF45 Syringe Pack 30cc	#770066
TEF45 16 oz	#770068	TEF 45 Caulk Tube - 12 oz	#770170
TEF45 Syringe Pack 6cc	#770065	TEF 45 - 8 lbs Pail	#770171
		TEF 45 - 40 lbs Bucket	#770172

MareLube™ Valve Lubricant

Dealer Profit Center

Offer A Valve Lubrication Service
At Your Boat Yard To Increase Revenue

Your Customers Benefit Too

- Lubricated valves work as designed
- Lubrication inhibits corrosion and keeps the valve working properly
- Valves stuck open or closed are a real safety problem
- MareLube valve is a purpose designed lubricant for all valves

Heres' The Math

Marelube Valve 4oz cost at dealer price so you can wholesale this as well. Enough to do 30 valves (\$9.00 to your dealer) \$0.30

Labor at your cost of \$50/hour lubricated from the outside with a man inside cycling the valve @ 15 man minutes/valve \$12.50

Yard Cost - \$12.80 Yard charges, \$20/valve.
At 4 valves/boat your profit per boat is \$28.80/boat

With 100 boats/year, you add \$2880 to your bottom line.
This is a simple way to increase value to the customer and to improve profitability. In addition you have the opportunity to check the existing valves and replace them if that is warranted.
