

ACCELERATE YOUR DOWNWIND SAILING

Congratulations
On 50 Great Years
Sailing World

Whether you're sailing deep downwind or on a reach, downwind sailing is more fun with a symmetrical spinnaker. It will increase your downwind speed and adds a new element to your sailing. Forespar® has perfected the art of manufacturing spinnaker poles to help make your downwind sailing more fun and exciting.

WORLD'S #1 SPINNAKER POLE

- Carbon or Aluminum
- Exclusive Lightweight Marelon® Pole Ends
