## GIANT STICK TILLER EXTENSION

### ASSEMBLY INSTRUCTIONS

Your "Giant Stick" tiller extension is shipped in a "Kit" form.

The inboard (universal swivel Speed-lock end) is glued in place for your convenience.

- |          |                             |            |
|----------|-----------------------------|------------|
| # 102221 | Giant Stick with Speed-Lock | Length 30" |
| # 102222 | Giant Stick with Speed-Lock | Length 48" |
| # 102223 | Giant Stick with Speed-Lock | Length 72" |

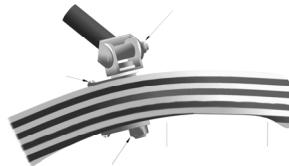

The Outboard end cap (red cap) is loose in the package and can be used (use super glue) or not ... Your preference.

The carbon shaft can be cut (by you) to your required custom length.

Also available with StaFAST end fittings

Patented design holds the tiller extension exactly where you leave it. No more sliding down out of reach.

- |          |                          |            |
|----------|--------------------------|------------|
| # 102225 | Giant Stick with StaFAST | Length 30" |
| # 102226 | Giant Stick with StaFAST | Length 48" |
| # 102227 | Giant Stick with StaFAST | Length 72" |
